*"Helping Others Live In Safety, Comfort and Dignity"*

March 19, 2020

As the situation with COVID-19 continues to unfold, HopeBuilders will be making the following temporary changes to make sure we are following CDC guidelines and doing the right thing for the communities we serve. Out of an abundance of caution, and with the interest of our volunteers, business partners and clients in mind, please expect the following short-term changes to our activities. We will be completing projects currently in process. We are suspending NEW projects for the short term and will be assessing plans based on CDC recommendations.
